New Bylaws

The municipality has enacted an "ATV Bylaw" in conjunction with *The All Terrain Vehicles Act*. This bylaw prohibits the operation of all terrain vehicles on municipal roads, private land without landowner consent, Crown land and road allowances. To view the Bylaw please visit our website at www.lumsden.ca.

There have been concerns from landowner's over the operation of Snowmobiles on their property. *The Snowmobile Act* allows for snowmobile operators to operate on private land outside a city, unless there are signs at least 30 cm. in length and 25 cm. in width prominently placed at each corner of the land and at intervals not exceeding 800 metres along the boundaries of the land bearing the words "SNOWMOBILES PROHIBITED" or "NO TRESPASSING".

Council is currently considering a "Swimming Pool Bylaw" that will require enclosures for swimming pools within the municipality. This bylaw will likely be in effect in August. Please call or visit our website by mid August for details.

Provincial Education Tax Credit

The Saskatchewan Government continued their education property tax credit program for the 2007 taxation year, with an increase to Residential and Commercial Property tax credit from 8% to 10%.

The credit will apply to property classes based on the following rates:

A	Agriculture land (arable)	38%
N	Agriculture land (pasture)	38%
R	Residential	10%
S	Seasonal Residential	10%
C	Commercial	10%
I	Industrial	10%

A \$2,500 cap (maximum reduction) will apply on the credit for commercial/industrial and multi-unit residential (excluding residential condominium) properties.

The provincial education property tax credit is clearly shown on the assessment/tax notices that are printed and sent to owners.

Council

During 2007 your elected Reeve and Council are:

Reeve:	Jim Hipkin	731-3255
Division 1	Albert Szeles	545-0983
Division 2	Tracy Preete	731-1428
Division 3	Bill Marquardt	731-2802
Division 4	Edward Thorpe	775-2780
Division 5	Glen Samuelson	775-2873
Division 6	Mike Brodziak	729-2830

This fall rural municipal elections are to be held with nominations open for the positions of Councillor in Divisions 2, 4, 6.

Administration

Our municipal administration is shared with the Town of Lumsden, under a Joint Administration Agreement signed in 1997.

Wayne Zerff	Administrator
Darcie Cooper	Asst. Administrator
Joan Agopsowicz	Office Services Clerk (FT)
Brenda Boos	Office Services Clerk (FT)
Lorrie Farago	Office Services Clerk (PT)

Public Works/Road Maintenance

Our public works staff and their respective positions:

Adri Vandeven	Road Foreman
RM Shop	731-2404
Earl Inverarity	Grader Operator
Scott Haynes	Grader Operator
Randy Walters	Grader Operator
Brian Cooper	Mower Operator & Licensed Pesticide Applicator

"Sign Vandalism" and theft continues to be a problem in our municipality. Sign

replacement due to theft or vandalism has cost taxpayers thousands of dollars in recent years. As well, a missing sign from an intersection can be the cause of a serious accident. Please report any information you may have regarding sign vandalism or theft to your local RCMP detachment.

2007 School Division Mill Rate

Our municipality is located entirely within the Prairie Valley School Division boundary. The school mill rate for 2007 increased by 2 mills to:

Prairie Valley S.D.No.208 21.75 mills (increase of 2 mills)

If you have concerns regarding the school division taxes, we recommend that you contact your school division:

**Prairie Valley Schools
306-949-3366**

2007 Municipal Budget Highlights

The 2007 provincial budget contained new money for municipalities as follows:

- 31% increase to the rural revenue Sharing Pool
- This revenue Sharing Pool is now at \$49.6 million and is shared by all rural municipalities
- The increase to our local municipal revenue Sharing Grant is 12.3% as the allocation formula looks at many factors in determining a municipality's grant amount.

Additional funds have been allocated by the province for the development and upgrade of the rural road network. An initial \$5 million dollars announced in this budget will be targeted to improve the Primary Weights Corridor. Another \$2.25 million will be targeted for Heavy Haul-High Volume roads in the province. There is approximately 6,200 km of roads that have been identified as primary weights corridors.

Some expenses that will change over 2006 are:

- Utilities, fuel and grader blade costs have continued to increase
- R.M. Public Works Staff have joined the Teamster's Union No. 395 and a three year contract has been negotiated. As a result, salaries have increased by approximately \$20,000 for the 2007 year. In 2006 the municipality offered the employees Health and Dental Benefits along with continuation of Short and Long Term Disability. This health coverage program is continued for 2007.
- Council has purchased a 2004 Ford 1 tonne diesel truck for use by public works in road supervision. In the past, mileage had been paid to the R.M. employees for the portion of travel incurred on behalf of the municipality. The purchase of this truck through use of capital trust funds will average out capital and operating costs as the municipality receives a lower bulk fuel rate and repayment to the fund is over a five year term.

Other highlights in our 2007 municipal budget are:

- 1.0 mill increase was approved with the revenue going to offset increased road maintenance and construction plans,
- 67.9% of all expenditures are toward road maintenance/construction,
- 7.3% of expenditures will cover police, fire, landfill and other protective services,
- 9.7% of expenditures will be spent on Planning and Development Services including the administration of the Buffalo Pound Qu'Appelle River Watershed Agri-Environmental Group Plan
- The remaining 15.1% will be spent on such items as Administration, Debt costs and Recreation,
- Approximately 19,000 cubic yards of road gravel was budgeted for application in 2007, at a cost of \$168,000,
- Snow Plow Club grants have again been set at \$30.00 per approved mile.

Emergency Contact Numbers

Southey 726-5230

Fire Departments

For information, please contact the RM Office @ 731-2404

Controlled Burns!

Did you know that an individual could be held responsible for the cost of a fire department responding to a false alarm?

If you are planning a controlled burn, please call 310-5000 in advance to avoid a false alarm.

The R.M. Council warns all residents of the high costs of burning. An out-of-control grass fire can cost a property owner several thousands of dollars, just for fire fighting. Please review your fire insurance policy, especially your deductible, to ensure that it meets your particular requirements.

Extra caution must be taken by all residents, to ensure that fires are controlled and supervised at all times.

FOR ANY CONTROLLED BURN, ANYWHERE IN THE RM OF LUMSDEN, PLEASE CALL 310-5000

Fire Protection Agreements

The RM of Lumsden has fire protection agreements with Lumsden, Regina Beach, City of Regina and Craven. As per these agreements, the fire departments will bill the municipality for the fire calls responded to in their jurisdiction. The municipality in turn will bill the property owner where the fire occurred or started.

There have been fire fighting fees ranging from \$500 to \$10,000 plus in the municipality. Please ensure you have adequate fire fighting insurance. Any unpaid invoices for fire protection services as of December 31st are transferred to the property owner's taxes.

Lumsden Fire Calls	2003	2004	2005	2006
Vehicle	14	11	19	12
Fire Calls	16	20	32	6
Fire Dept. Assistance	3	2		

Commandeered Emergency Equipment

The municipality is compiling a list of Commandeered Equipment/Resources, which is equipment that would be made available to the RM in the event of an emergency. Water tankers, dozers, and other equipment may be needed for fire fighting, flood, or other such disasters.

Commandeered equipment utilized in the case of an emergency is insured through the municipality. The owner will be reimbursed at rates established by Council.

If you have equipment, water supply (ie dugout), or anything that you believe may be valuable in cases of emergency, and are willing to make this available for use by the municipality, please contact the RM Office or your Councillor. We appreciate your assistance.

Pesticide Container Collection Program

The following sites are available for ratepayers to return cleaned chemical containers:

Cargill Grain Regina, SK	Heartland Agro Services Lumsden, SK
Pioneer Grain Southey, SK	Heartland Agro Services Regina, SK
Pioneer Grain Strasbourg, SK	HFM Ag Services - Strasbourg, SK

Agricultural Health & Safety Network

The RM of Lumsden is enrolled in the Agricultural Health & Safety Network. The *Network* was established to deliver occupational health and safety programs and resources to people living on farms in Saskatchewan RM's. Services included are an Annual Theme Package, bi-annual newsletter called the *Network News*, health screening & educational programs, fact sheets, etc.

As the annual fee for this membership is calculated on a per farm family basis, we ask that if you are receiving mailings from this network and are not an active farm family OR if you are an active farm family and not receiving these publications to notify the municipal office at 731-2404.

Cash-In-Lieu Reserve Policy

The purpose of the policy is to guide Council in the consideration of applications from ratepayer's, residents, clubs or associations to access funds from the "Cash-In-Lieu Reserve". The funds in the reserve are intended to assist in the creation of public recreational areas on public or municipal reserves in the municipality.

The reserve has grown from subdivision applications where the developer has chosen to make a payment of cash in order to meet the requirements of Planning & Development Act, 2007. Council has in these instances also agreed as to the cash payment and applicable amount.

Applications shall be eligible for the funding of 30% of the total project cost, not including in-kind costs, to a maximum of \$3,000.00 per project. Applications shall be limited to one (1) per year from each ratepayer, resident, club or association. "Ratepayers, residents, clubs or associations" refer to persons or entities within the R.M. of Lumsden No. 189 or on the Assessment or Tax Roll. Preference shall be given to projects that meet accessibility standards.

Eligible applications shall include the following uses on lands designated as municipal or public reserve where it is clear that the expenditure shall benefit the public as a whole:

- A public park or buffer strip, a natural area,
- A public recreation area including playground equipment,
- School purposes, a public building or facility,
- A building or facility used and owned by a charitable corporation as defined by The Non-profit Corporations Act,
- Public Agricultural or horticultural uses,
- Any other specific or general use that the Minister may provide by regulation.

Road Allowance Mowing Policy

The municipality owns a New Holland front wheel assist Tractor with loader and a 15 foot Shulte Sidearm with new mower for cutting ditches in the municipality. Subject to weather conditions, the municipality mows the various road allowances as follows:

- Municipal Roads-one round annually
- Main Farm Access Roads complete cut by fall
- Grid Roads-complete right of way cut by fall.

Mowing Procedures: Timely mowing is a part of the R.M.'s plan to control weeds such as scentless chamomile. Should you have concerns with scentless chamomile or other noxious weeds, please contact your Councillor or the municipality's Weed Inspector, Tracy Preete at 731-1428.

Snow Removal Policy

The Rural Municipal Council and Foreman in conjunction with authorized snowplow clubs will undertake the removal of snow utilizing the Municipal grader from designated roads in the following priority:

1. Grid roads
2. School bus roads
3. Farm access and residential roads

The Municipality does NOT provide snow removal on private property. In order to maintain access to individual properties throughout the Municipality, it is critical for every ratepayer to either privately, or in conjunction with an authorized snow plow club, provide for their own snow removal.

Authorized Municipal Snow Plow Clubs:

- One or more persons may apply by completing a Municipal Snow Plow Club Application.
- Insurance requires the application include a list of members, operators and a road map detailing roads for snow removal.
- Applications must be submitted annually by November 30th.
- Each year a base Municipal grant of \$30 per mile will be paid to the Authorized Snow Plow Club. Council may increase this grant when excessive and/or prolonged snow conditions occur.

Each authorized Snow Plow Club is responsible for determining and collecting individual membership fees. **Individual members are required to pay their fees promptly to ensure their snow removal needs are met.**

Snow Removal on School Bus Routes:

- Authorized Snow Plow Clubs will greatly enhance snow removal on school bus routes.
- The school bus driver will determine whether or not the normal bus route is safe to travel.
- If the bus cannot safely travel the route, the parent(s) of the school child/children affected may be required to meet the school bus at an alternate location determined by the school bus driver.

Snow Removal in severe weather or temperature conditions:

During severe weather or temperatures below -30° C, the Municipal Foreman in consultation with Council, will determine whether or not Municipal equipment will be used for snow removal.

293(2)(E) Assessment Exemption

The Municipalities Act provides for an assessment exemption for land owned or leased in the municipality, or an adjoining municipality, which is to be applied against a dwelling assessment occupied by the owner or lessee.

Under clause 293(2)(e) of this act, the assessment on a dwelling that is situated outside of an organized hamlet and is occupied by an owner or a lessee of land may be reduced as follows:

1. If the taxable land assessment, owned or leased, has a property class of either A "Agricultural" or N "Grazing Land", and
2. The land is located in the municipality or in any adjoining municipality,
3. The total of the eligible taxable land assessment may not exceed the taxable assessment on the dwelling.

It is the responsibility of the property owners to check their tax notice to ensure that the 293(2)(e) exemption is correct. Should you notice an error or require additional clarification, please contact the RM Office.

As well it is the responsibility of the property owner to annually complete and submit to the RM Office a statutory declaration for eligible leased land or land owned in an adjacent municipality.

Pest Control Products

Rat control products are available free of charge, at the discretion of the Pest Control Officer. Annually, each resident may obtain from the R.M. Office the following products:

4 boxes of rataak OR 12 bags of warfarin

Gopher Poison

Mixed Bait - \$9.50/2.5kg pkg

Liquid Rozol - \$7.00/bottle

Gopher Cop (pre-mixed) - \$87.40/12kgs

- \$60.95/8kgs

Development Permit Information

Before commencing any principal or accessory use development, including a public utility use, every developer shall:

- (1) complete a development permit application form and submit the required documents to the municipal office, and
- (2) receive a development permit for the proposed development, unless the proposed development or use is exempt from development permit requirements.

- **Exemptions:** The following developments shall be exempt from the requirement to submit a development application to the municipality:
- Farm buildings that are accessory to a principal agricultural operation (e.g., barns, granaries) are exempt; **however, farm dwellings and dugouts on an agriculture site require the submission of a development application,**
- Accessory Uses,
- Official Temporary Uses,
- Internal Building Alterations,
- Fences,
- Inspections or maintenance to linear public utilities,
- Roads and Highways (*Access roads or approaches require applications*)

For more detailed information on development requirements please call the office or visit our Website at www.lumsden.ca

Custom Lane Grading

The RM has a custom work policy for lane grading which has been adopted and is reviewed on an annual basis as follows:

- \$80.00 minimum and \$40.00 per each additional ½ hour,
- Contract Work is done at the discretion of the R.M. Foreman, R.M. work to take priority,
- A consent form is to be filled out relieving the Municipality from any liability that may be incurred,
- Work is to be completed in the course of normal grading activity,
- Contracted Work is only available from May - October - snow removal not available,
- Billing will be recorded in a bill book and submitted to the office for invoicing,
- Any unpaid monies will be added to the ratepayer's taxes on December 31st of the year invoiced.

West Nile Virus

As part of the West Nile Virus response plan for 2007, Saskatchewan continues to monitor birds, mosquitoes, horses and humans. The crow family is particularly sensitive to West Nile Virus. They include crows, ravens, magpies, blue jays and gray jays and have high death rates if infected.

What To Do

If you find a dead Bird from the crow family, you are to dispose of it very carefully by wearing gloves, using a shovel and double bagging it in garbage bags. Then the bird can be buried where possible. Specific details on disposal are on the Saskatchewan Health Website at www.health.gov.sk.ca/rr_wnv_info.html.

The R.M. of Lumsden is focusing its 2007 efforts in West Nile Virus prevention through distribution of public education information. The RM is in a local mosquito control program partnership with the Town of Lumsden, the Town of Regina Beach, and the Village of Buena Vista. The RM has a brochure that provides some sources for citizens to obtain further information. Please call the office at 731-2404 if you would like a copy of the brochure.

The Lumsden Municipal Office will have a (limited) supply of backyard larvicide "AquaBac" available at a cost recovery price of \$16.50 to be used for the localized treatment of mosquito larvae. This is the same product that is available at most general hardware stores. Please contact the Municipal Office @ 731-2404 for further details.

Dogs Running At Large

The RM has enacted Bylaw NO. 9/03 "A Bylaw to Prohibit the running at large of dogs in the Municipality" as follows:

1. No dog shall run at large in the municipality and for the purpose of this bylaw, a dog shall be deemed to be running at large when it is beyond the boundaries of the land occupied by the owner, possessor or harbourer of the dog, or beyond the boundaries of any lands where it may be with the permission of the owner or occupant of the said land, and when it is not under control by being:
 - (a) in direct and continuous charge of a person competent to control it, or
 - (b) securely confined within an enclosure: or
 - (c) securely fastened so that it cannot roam at will.
2. A person who owns, possesses or harbours a dog running at large shall be deemed guilty of an infraction of this bylaw.
3. Any person may destroy a dog running at large on land owned or occupied by him providing the dog is attacking or viciously pursuing a "protected animal"
4. A "protected animal" is any animal that is raised in captivity for the purpose of producing offspring or animal products as defined in The Animal Products Act.
5. A person who destroys a dog pursuant to Section 3 of this bylaw and section 13 of The Animal Protection Regulations, 2000 shall destroy the dog in a humane manner using a firearm of sufficient caliber to kill the dog quickly and painlessly, and dispose of the dog in the prescribed manner.
6. Dogs found at large in the municipality may be seized and impounded in accordance with the provisions of The Municipalities Act.
7. Nothing in this bylaw prevents a dog or dogs running at large from being declared dangerous under provisions of The Municipalities Act or The Dangerous Dogs Control Regulations to ensure public safety.
8. Any person who contravenes any of the provisions of this bylaw is guilty of an offense and liable on summary conviction to the penalties provided in the general penalty bylaw of this municipality.

Cultivated Land Policy

When cultivating ditches, please remember to stay back a distance of 10 feet from culverts. Repair of culverts is costly and time consuming, and affects all ratepayers of the RM.

Municipal Maps

Municipal maps are currently available with 2005 Assessment values. The maps currently cost \$5.00 each and can be picked up at the municipal office.

Dominion Land Grant Information maps are available at a cost of \$3.00, from the municipal office. This map contains the name and date of the original "Dominion land grants" issued by the Dominion Lands Branch of the Federal Department of the Interior from 1871 to 1930.

LUMSDEN LANDFILL HOURS

(April 15th - October 14th)

Monday 5:00 p.m. to 8:00 p.m.
Wednesday 10:00 a.m. to 4:00 p.m.
Thursday 5:00 p.m. to 8:00 p.m.
Saturday 10:00 a.m. to 4:00 p.m.

(October 15th - April 14th)

Monday 3:00 p.m. to 6:00 p.m.
Wednesday 10:00 a.m. to 4:00 p.m.
Thursday 3:00 p.m. to 6:00 p.m.
Saturday 10:00 a.m. to 4:00 p.m.

Lumsden Landfill Site Access

The Town of Lumsden and RM of Lumsden under a partnership agreement offer residents equal access to the Lumsden Landfill Site.

- ✓ All bagged waste will continue to be allowed into the site free.
- ✓ All lawn and garden vegetation will continue to be allowed into the site free.
- ✓ If an individual is willing to sort their loads, all recyclables, wood, and metal will be allowed into designated areas at the site free.
- ✓ Clean concrete or asphalt will be allowed into designated areas at no charge.
- ✓ Household waste or Small Items not bagged will be subject to applicable tipping fees.
- ✓ Animal Carcasses will be accepted and buried for a fee of \$100.00 per large animal, \$15.00 per small animal.

Lumsden Landfill Tipping Fees

- Ratepayers are **not** able to obtain a key to the Landfill from the municipal office.
- The Landfill has an attendant on site during the hours of operation, to ensure that waste is dumped in the proper locations. Dumping fees are applicable for certain waste products.
- The Landfill Site shall be open during the above days and times each week, including days falling on Statutory or Civic Holidays, with the exception of December 24 & 25th
- For more information on the program, hours of operation, or dumping fees, please contact the RM Office.

MIXED LOADS	
(Carpet, Furniture, T.V., mattresses) Small Items	\$ 5.00 per load
½ Tons & Utility Trailers	\$15.00 per load
¾ Tons - 1 Ton Truck	\$30.00 per load
2 Tons & Over	\$75.00 per load
SCRAP TIRES	
Passenger Car & Smaller	\$5.00 per tire
Truck or Semi-Trailer	\$7.00 per tire
Agricultural Equipment	\$12.00 per tire
Mining Vehicles/Equip.	\$40.00 per tire

Rural Recycle Program

Rural Recycle Program

Under a partnership agreement with the Town of Lumsden, all RM of Lumsden residents have access to the Lumsden Recycle Depot at no charge. The recycle depot is located in Lumsden, at 105 - 2nd Avenue.

The Recycle Depot accepts the following materials, in designated containers/areas:

- used oil and batteries
- paint (from April 20 to October 20 each year)
- all paper products
- #1,2,4,5 and 7 plastics - no vinyl or Styrofoam
- all metal cans and small metals
- all SARCAN products.

The recyclables listed below are also allowed to be dropped off at the Landfill Site, in designated areas, at no charge.

- Cardboard
- Used oil
- Plastic twine
- Computer Electronics
- Newsprint/ paper
- Oil filters & batteries
- Metal cans
- Plastic

Improvements and Tree Planting Setback Requirements

Tree planting is always encouraged as it is a natural form of protection for our wildlife and also prevents wind and water erosion. The municipality regulates by bylaw, the minimum setback distance that trees must be planted from a municipal road allowance. The minimum setback is 150 feet from the center of a roadway or road allowance for trees, obstacles, buildings, bales, solid board fences, etc.

Buffalo Pound - Qu'Appelle River Watershed Agri-Environmental Group Plan

The municipality entered into agreements with Agriculture and Agri-Food Canada's Prairie Farm Rehabilitation Administration (PFRA) and the Saskatchewan Watershed Authority to administer the Buffalo Pound - Qu'Appelle River Agri-Environmental Group Farm Plan (Group Farm Plan) and Beneficial Management Practices.

The Group Farm Plan is part of the Canada-Saskatchewan Farm Stewardship Program. This program provides eligible producers in Saskatchewan with financial and technical assistance to develop and implement viable and environmentally sustainable practices.

The Group Farm plan can help producers make changes that benefit both the management of their farm and the environment, particularly water resources. The Group Farm Plan Advisor is Brett Gaube and he will assist the producer in establishing a management plan for their farm or ranch, explain how to access funding and provide expertise throughout the project.

To find out more about the program please contact Brett at (306) 729-1793 (cell) or email gaubeb@sasktel.net

Zoning and Planning Bylaw Review

The municipality is commencing a review of the current Zoning and Planning Bylaws that were adopted in the year 2000. With the new Planning and Development Act, 2007, zoning and planning bylaws are referred to as a Community Plan. The process is an extensive one and may take up to a year and a half to complete. The review involves public consultation, planning meetings, etc. Look for Advertising for the public meetings on our website at www.lumsden.ca and in the Waterfront Press, late this fall or early spring. To review the current Zoning and Planning Bylaws visit our website.

FARM STRESS LINE

Saskatchewan Agriculture and Food offer a Farm Stress Help Line where you can call and speak to peer counselors, men and women from the farm that are trained to assist people in crisis. The number is 1-800-667-4442 and if you would like more information, please visit their website:

www.agr.gov.sk.ca/docs/programs_services/farmstressline.asp
